“ *I have such fond memories of her and her home. I remember her assembling all of us kids on a fallen log next to the fence that abutted the farm behind her home. She urged us to stay quiet, as the mamma sow was gonna have her babies.* ”

It was super sweet as an adult to introduce my daughter to her, as she babysat my sister and I.

Prayers to family and friends. She will be missed.

I will miss Alma❤️ She was my next door neighbor for many years in Roselle. Always had time to stop and visit. We shared many days sitting on the chairs by her front door or hanging on the fence to talk. She gave me a birthday card every year until she went to the nursing home. She was a good neighbor that became a good friend ❤️

Alma was our neighbor for many years that we lived in Roselle. She also babysat for me when I needed a sitter. She was a good friend and neighbor. We spent many days standing by the fence talking and many evenings sitting by her front door talking. She was one of the best bakers in the neighborhood and cookies were plentiful. She will be missed by so many. Rest In Peace Alma. There are a few of you family that have been waiting for you in Heaven ❤️

Alma and her husband were close friends with my parents, Richard and Leonora Rothmeyer. I loved to listen to them talk about the things the four of them used to do when living in Perry. They stayed in touch even after we moved to Perry. They were great friends. Those will always be some of my best memories of them and my parents.
