“ So sorry to hear about Angie. Even though we did not get to really know her until she was at Sunnybrook, we considered her a good friend. When she was running the show at Sunnybrook (that wasn't her job title but everybody knew she was running the place), she took extra special care of my mother and I really appreciate what she did to make her time there a lot easier.

We will continue to keep her and her family in our thoughts and prayers.
