“ I've only just now heard of his death. I'm so sorry to lose such a good friend. We had many great times at model meetings and conventions. Ed was one of my closest friends and I'll miss him enormously. He was an advisor when I was troubled and shared when I was happy ,never failing to be a positive uplifting friend. I am crushed to have missed his memorial and wish I could attend in Carroll. My best wishes to the family. Sherman

“ My heart is broken for all of you, so many childhood memories growing up together. There are no words to describe the loss for me. Ed was my "little brother", we are all family. Know he considered Penny his "Mom" , as did you Linda. May he rest in peace together in Heaven with is Dad, his Mom and his brother. Hugs and Ilove to all of you.
