My Sympathy to the Pudenz Family. When Tex and I were transferred to Carroll in the Fall of 1964 Erv. sold us our home. Erv. learned through that process that I was a registered nurse. It wasn't long before I received a phone call asking if I would work a couple of shifts of private duty nursing so Elaine and he could travel out of town for a weekend family celebration. I covered that private duty case for Elaine, and thus started my nursing career in Carroll as other private duty nursing opportunities arose. I was approached and subsequently hired by the Antonian School of Nursing to begin teaching in Jan. 1965. Thanks Elaine for such a wonderful opportunity that opened the doors for a fantastic career as a nursing educator!

May you rest in peace! Kaye Stock, RN, MSN
