“ Elmer was such a great example of faith and love of God. I opened up St. Lawrence at 6:00 and Elmer would be there waiting to get in. And even when I was early, he would be waiting. He'd walk the church and say the rosary. He did that at Holy spirit and then led us all in saying the rosary. Such a strong wonderful voice for leading us! I was honored to bring him communion during his last stay in the hospital. I will miss seeing him, but I know that he is gloriously happy being with this Lord.

“ *Oh Percy, I can't believe you're gone; but God is holding you now. How can I ever say the rosary without you to help me? And I can't even come to your funeral. I have to be in Ames for a Dr's app't on Tuesday.
Please pray for me.
Greg and family-so sorry for your loss. I loved that man.*
