“ *My biggest memory of Gerald is his toy room in the attic. Do you other cousins remember sneaking in there to check it out and being run out of there if he caught us. Think of all the time it took for him to arrange it all. Diana*

I have many fond memories of Gerald residing at Mallard View. He always greeted staff with "hello" on a daily basis! Gerald loved his family, and loved John Deere tractors! May you rest in your heavenly home, with your John Deere machinery at your side! God bless you always , Gerald! Mary Daiker, Adm. Assistant, Mallard View Inc.

I do remember the attic with all the tractors and the cat clocks in his room. There's a lot of good memories of Gerald when I was younger and the farm.

Gerald had a great passion for his tractors and his pets. My fondest memories of Gerald are when grandma and I sat on the swing and Gerald would be there with his pets. Rest in peace Gerald. Love Darlene & Bob
