“ Gary, Steve, Kathy and families, We express our sympathy to all of you. Sorry we can't make it to the funeral but my niece (Jan's daughter) graduates that day from UNMC RN nursing school. She has been wanting to be a nurse all her life and she finally made it. She did the 2 yr program in Norfolk, NE. This is the first class to graduate which started in a new bldg 2 yrs ago. I remember when I came to Carroll, IA for a meeting and went to see your Mom, I was happy to spend some time with her while I was there. It was short but at least I got to see her again. Yes, it's hard, we're going through some tough times with Mom, she'll be 88 in July. She is in the nursing home in Norfolk so I go spend almost everyday over my lunch time with her. I'll have a hard time letting go when she passes, I was close to Mom but since she's had alzheimers and I go up there everyday, I feel closer. If we could only understand what she is telling us and like your Mom she'll come out with a few clear words and you cherish those words. There is so much that has changed within the last 4-5 years with her. Love Joyce & family
