“*Sad to learn Aunt Hilda passed away. I remember Aunt Hilda taking care of me when a young boy after school. I know I was a ‘handful’ but she was awesome in every way possible. I also remember how much fun Hilda was when she and Cyril came over to my parent’s house to play cards with friends and relatives after a night of dancing in the 60’s and 70’s. Everyone had a great time as Hilda laughed with delight while the night wore on. I could sense how much fun everyone was having just because she was there! Wishing all of you comfort and peace in Hilda’s memory.*”

“*My sympathy to Cyril and all of the family. I remember Hilda's laugh. She was always so happy. My brother and sister and I would often walk to your house after school to stay until our Mom got off work and came to pick us up. Hilda was always kind to us when we came. She was a very nice aunt. Still enjoy using the wooden calendar she made. Praying God brings you all comfort at this time.*”
