“ *Even though I never got to meet Butch, I feel I know him based on the hundreds of stories Terri has shared about her amazing dad. What a wonderful and exciting life he lead, and I know what a gap losing someone so vital and important will leave. Hopefully as your family has had time to share memories, you will realize those we love are forever a part of our lives as they live on in our hearts. My thoughts and prayers are with you all.*

“ As a friend of Terri's, I wanted to send my deepest sympathies and to let you, Terri and your family, know you are in my thoughts and prayers. Although I only met and saw Butch on a few occasions, he was a GREAT guy with a wonderful personality, much like you Terri! I always saw the love and great admiration you had for your father. All my best..
