“ I was shocked to see Janes' picture and obit. on the Kusel website last night, guess when we see classmates gone we wonder who will be next. I'm a former Manning graduate myself though 1964 and Jane and I were friends during our school days. I think I have a picture somewhere of Jane and I in prom dresses in my folks living room and I remember coming to the farm with Jane different times also. The last time I saw Jane was at my Moms wake.(Mary Mundt). She and one of the sisters came, maybe Helen I will guess, that was 2008. So you have my deepest sympathy to all of Janes' family. I am so glad I got to see her picture and obit.as I think of the old days alot. I don't get to Manning anymore, just my one brother lives there in the folks house and I won't drive down by myself as I'm a widow also. May the angels in heaven shine on Jane and her family members. Sincerely, Linda(Mundt) Stolfus New Hampton, Iowa 50659

“ *Janie always had a hello and how you doing. which I think is a Espenhover trait. Brett is smiling that mom came home. The love her boys had for her was amazing. Rest in peace. Janie*
