“ I'm Greg Johnson, a year younger than Steve. My Father- Gib- and John played golf when they were in their 60s--80s at least 4 days a week. They'd play a round in 2.5 hours (of course during the week when everyone else was working). I was fortunate enough that when I'd come back to Carroll, I got to play many, many rounds with John and Dad. John had the sweetest swing, and one of the nicest men I've ever met in my life. When Dad passed, John donated money to Kuemper in his honor. The epitome of class. Well done John!!! You're the best.

“ Offering my condolences to the family of John Heider. John was one of the first people to welcome me when I joined the Country Club, treating me as a friend from the start. He had a swing that would envy most and I always enjoyed his company. I will also miss seeing him at Sunday mass when he would always seek me out with a nod & a smile. He was a wonderful person!

“ So very sorry for your loss! I remember John friend m many years ago as a child growing up across the street from the Heider building and running around playing in the sawdust shed and the ladders by Bell Transfer. My dad was Lawrence Lampe. He too has passed now. Some great people they all were! I still own some and of the Heider memorabilia and cherish it. Pat (Lampe) Staples
