“ I have had the privilege of doing Katie's hair for the last 22 years. I also think I was the only woman to cut Don's hair, as I took care of him in his last years. She was one of my favorite ladies. We had long talks about family and friends in Carroll. We talked over births of her new great grand kids or the loss of one of her family. I saw her go through her own hair loss with her cancer battles and she talked a lot about Dylan and his battle. She loved her family and loved to talk about Don's new place in MN or Donna's family or Don and Bob and their fishing and golfing. She was always so excited when her nieces came for a visit. I loved her like my own Mother and she always treated me like family. I will miss her kind and loving heart.

“ To Don, Donna, Bob and Dear Aunt Rose Mary,
Life.....so fragile, Loss....so sudden, Heart....so broken,...in the wake
of such a loss, we are haunted by things we don't, and may never
understand. Yet the solace we seek may not come from answers.
So we look for comfort in the belief of love's everlasting connection.
May that love lift you and hold you close, and give you peace. -

*I am sorry I will not be there this week but know you will all be in my
heart.*
