“ *I remember Linda living with us in Iowa, she liked going to church with us kids when we were little and at that time she was bossy toward all 3 of us younger kids because w were small. After my dads funeral Andy, Delbert, Kc, Jammie, April, myself and mom went to see Linda we took her shopping and she wouldn't let go of Aprils hand, she kept calling her " her baby" because April was the shortest one there.*
