“ I worked with Lyle at Hess Memorial Hospital. I will never forget his humor nor his story of while turkey hunting, an angry Tom took a huge chunk out of his right sock. I can still hear him laugh when he tells that story.

“ I want to extend my sympathy to all of Lyle's family. Having grown up not far from your home place I spent many memorable times visiting with Marlys, Mel and Lyle, the three closest to my age. Seems we were always entertained by something or someone while visiting! Fond memories makes me smile as I write this. Thinking of all of you.

“ My deepest sympathies to Lyle's family. He was truly a great guy. Many memories of playing basketball, hunting...and of course having a few Lite beers from Miller. :-). Although I haven't seen him all that often in recent years whenever we did meet it was like old times. His wit and enthusiasm for life will be missed. I

“ We extend our deepest sympathy to all of you. Lyle was a very special friend to us. We served with Lyle on his 3 deployments. We would have been lost without him! He made every ugly experience we had bearable! A few of our most memorable memories Lyle freezing at Ft McCoy during an AT in the middle of July - because he brought no bedding "Hell it is the middle of July for Gods sake" He truly was one of the best men who walked the earth.
