“ I have so many get memories of my favorite cousin Merlie! I smile thinking back at trying to catch baby ducks in the creek, pheasant hunting, chasing chickens, and just listening to his stories. It seems like yesterday! My Dad loved to have beer and trade tales with Merlie.....I am sure he had a cold one waiting.

My sympathy to all the family.

“ Marie and cousins

Uncle Mert was clearly a one of a kind man. Fond memories of teaching the "city slicker" nephew of fishing in the creek off the railroad bridge, soft back turtles and other various creatures over the years. He will be missed but memories will live on. Our deepest sympathies and blessings for your families.

“ Marie and kids,

What a man we all had in Merlie. I have only good memories of your husband and dad...and they all include a smile or a laugh. I will always remember him in his bibbers and surrounded by animals. He loves those animals. How appropriate that St. Francis parish was right there. I imagine St. Francis and Merlie are having some great talks about ducks, geese, goats and pot bellied pigs right now! He always wore his heart on his sleeve and fiercely loved his wife and kids. What a lucky day for God....he got another one of Iowa's best farmers. As for me and my family, we are so blessed to know this great man. I'll be thinking of him in the spring when me and the kids find our poles and go fishing...

Big hugs Marie...

...and the kids I knew best...Dean, Jr., Mike and Robbie

Love,

Pam (Grote) Venturi and our lots of little kids...
