Paul was born in Carroll Iowa at St Anthony Hospital to Anthony and Mary (Barry) Pawletzki on August 29, 1941. He attended school in Carroll graduating from Kuemper in 1959. After graduating Paul enlisted in the Air Force and was stationed in Roswell, New Mexico. That is where Paul's passion for airplanes started. During his time in the military Paul formed lasting friendships with Joe Carver, Bob Smuszkiewitz, Larry Newquist and several other great men who he continued friendships up till death.

Paul married the love of his life Jean (Snyder) Pawletzki on February 8, 1964 at St. Francis Church in Maple River. After they were united in marriage Paul and Jean moved to the farm in which Paul had lived on since he was 7 years old near Maple River. This is where Paul and Jean made their home and welcomed 4 children: Bill, Sheila, Steve and Beverly. In the upcoming years Paul farmed and milked cows. Many memories were formed on the farm and cherish those of milking cows and riding on the tractor with Dad. Paul continued his passion for airplanes in particular model airplanes. Many hours were spent in his airplane room preparing for Sunday night flying with the airplane guys. Paul loved this time with the guys and many Sundays sharing it with his family, but never letting us fly the airplanes because we could only look but never touch!

Paul loved socializing and knew someone wherever he went. He went on to work at S&S store in Carroll, The Manor and St. Anthony Hospital where he retired from in. After retiring Paul drove bus for Western Iowa Transit. His gift to gab, his laugh, and endless jokes made a lasting impression on many and will be remembered always.

Paul is preceded in death by his parents, Anthony and Mary (Barry) Pawletzki

and parents- in-law, Norbert and Delores (Imming) Snyder.

Paul is survived by his wife Jean Pawletzki of Carroll; his sister Betty (Dean) Friedrichsen of York, NE; his children: William (Beth) Pawletzki of Corpus Christi, TX, Sheila (Bill) Higgins of Arcadia, Steve (Stacie) Pawletzki of Scottsdale, AZ and Beverly Wolterman of Westside; his grandchildren: Shawn (Ellie) Higgins, Taylor Higgins (friend Cassie) and Tanner Higgins. Lauren and Allison Pawletzki. Kenadie and Kaylie Wolterman. Great Grandchildren: Emery Higgins and Avery Higgins. Several In-laws, Nieces, nephews and friends.

The Family of Paul wishes to extend our sincere thanks to the Nurse's and staff at Accura Nursing Home in Carroll for making our dad part of you family.

“ I have many great memories of the time that I spent with Paul throughout the years. It started with baling hay many times in the heat. See who could make the other one work the hardest on the hayrack. Other things we would do is try to knock each other off the hayrack. We had many good laughs and fun playing cards with the in-laws. The time comes to mind when we were all sitting around the table playing cards and Paul was going to get up and go to the restroom but as he stood up his blue jeans fell to the floor. Paul could not move fast enough to get them pulled up and everyone else was laughing their hearts out. Paul enjoyed the fishing trips that we when on to MN. but he never did catch all that many fish. There was one time we had to hold the fish up to a note card to show the actual size of it. I really enjoyed visiting with Paul and being around him. I am glad to have a lot of memories like these to hold onto and remember Paul by.

“ I want to thank you for the opportunity to share with you my friendship with Paul. We met in the service and become close friends. He was as close to me as a brother, and I will miss him greatly. I had just talked to Paul the week before, and he seemed to be in good spirits. Judy and I were both shocked to hear of his passing. You all are in our thoughts and prayers. And we are glad they will be live streaming his services, since with this "staying in place" we can nor be there in person.

“ There are many of us that spent every Sunday and Tuesday night together flying models. One event comes to mind when Paul flew so high that all of us heard," where did it go...it was never seen again. I spent half my life with Paul on the flying field and another good share of it at the Lidderdale Country Store having a beer and eating chicken beside him. We, fellow flyers will miss you....Bob Sturm....member of the Tri- County modelers.
