“ To the entire McKone family,
What an amazing friendship our parents shared. I have been reflecting on so many memories I have of Bob - and the many ways he touched our family. His life and how he lived is truly an inspiration. He was always so kind and such a true gentleman. He always greeted me with a handshake, and a smile. I think I will always remember his laugh, and of course the slide shows he gave over the holidays. Yes, I still remember them! My sincere condolences to all the family. He will be deeply missed by so many. I'm grateful for the many ways he touched my life. May he rest in peace.

“ I will miss Uncle Bob. I wish I had just one more visit. He is a father
to very good sons and a wonderful daughter. Most of all, he is a
loving husband to my mothers youngest sister. I always found
peace when visiting him over the last few years. I hope these few
words comfort those loved ones near and far who have been
touched by this good Man. Your nephew, Danny DeBakey

“ I did not have the pleasure of knowing your loved one personally. I saw this obituary in the paper. Your touching story of Bob's life compelled me to send my condolences for your lost. I am well acquainted with the sorrow death brings and hoped the family might be comforted by these encouraging words from the bible: “And he will wipe out every tear from their eyes, and death will be no more, neither outcry nor pain be any more, the former things have passed away.” (Re. 21: 4, 5) Again, my deepest condolences to the family.

“ *Bob and I were in Carroll Community Theatre together for several years and I had the joy of directing him several times. He was always the consummate gentleman, a real pro when it came to working a show, but someone with a big heart. He will be missed.*
