“ Thinking of you and your family. Roger has been our children's bus
driver since they were little. Roger was a caring, loving bus driver
who was more like a grandparent to our children. We could have
never asked for a better bus driver than him. We knew that our
children were in good hands. My kids will truly miss Roger. Our
sympathies.

“ I just wanted to tell you how much Roger will be missed as a bus driver for the Kuemper School System. My name is Amy Overmohle and I am an Opt. Kindergarten teacher there. We LOVED Roger so much and all of the kids thought he was a great bus driver! He knew each one of their names in every grade and was worried if a child didn't get on the bus. He would say "where is Mackenzie?" right away, before we could tell him she was sick, etc. I have worked with him for a long time and want to tell the family how much he meant to those kids, parents, and teachers! I saw it everyday. You all have my condolences.

I feel blessed to have gotten to know Roger and listen to his bus stories over coffee with good friends a couple times a month. He was always in a good mood and made everyone feel welcomed.

“ We are so saddened by the loss of Roger. He has been our bus driver since we moved to the collison addition 12 years ago. He has always been so kind & good to the kids. If they would forget something in the morning he would circle around so they could run home and get whatever it was. We were never worried about our kids or my daycare kids when riding the bus because we knew they were safe with Roger. Heaven has gained an angel! Our prayers & deepest sympathies to his family.

“ We are so sorry to hear of Roger's passing. Seven of our grandkids live in the Collison Addition and let me tell you there was not a better school bus driver ever as far as those kids are concerned! He treated them like they were his own, making them feel welcomed on those first days of school when they were little, telling us how much fun he had watching them grow up, even saving articles with their pictures from the paper to give to them. He was one of a kind, a kind and thoughtful man who will certainly be missed. Our sympathy to Cheryl and his children as well.

When I went to visit once a couple of the neighborhood kids knocked on the door and said they needed air in a basketball. Roger got up immediately and came to their aid. Just thought it was special and had a feeling this kind of visit was a usual event at the Wernimont home.
