“ I just heard the news of Scott's passing and I am deeply saddened. I first met Scott in Bangkok at a work conference and we quickly discovered we had mid-west roots (Scott Iowa and Me Nebraska). We became good friends and always shared some time together at all the conferences. Scott was an intelligent, hardworking, friendly person. However, most of all I knew him as a person who loved his wife, children and family. This is why we shared a great connection, he was truly a gentle soul. My prayers will continue to go out for him and his family.
