“ To Steve's Family, I was Steve's Agribusiness Instructor at Kirkwood Community college. It was an honor to have him in our program and as a student. I will never forget his smile, his passion for agriculture, and the life he had in his eyes. My students are special to me and Steve is one that always had a place in my heart. I pray for you all to endure the essence and meaning of life as your continued journey is without Steve. He lives forever in us because he has touched us all with his presence. You have my sympathy. My love to you, Cherylann Stewart (STEW)
